

Dear Mr. Bigham,

9/5/05

I am writing you with a serious problem that is occurring here at FCI  
Mekin where a "10 month pilot program" is being  
exercised. This program is being carried out with  
out a program statement, 23 CFR or Memorandum or  
acts as a secondary punishment after DHO sanction  
s you which is a violation of BOP Travel Discip  
I have asked The Warden for a Memorandum as to  
what authorization he is using in exercising this  
10 month pilot program. The A.W. here leads that  
No program does exist But The Warden is the  
one who is keeping us on this pilot program.

I ask that you look into this  
mysterious "10 month pilot program" that is a  
violation of my Due Process. Thank you

Sincerely  
Ernie Santiago
